## Message from the Macedonian Community President

Dear Members,

As 2012 draws to a close I would like to wish all community members a very Merry Christmas and a safe and prosperous New Year in 2013

I would also like to thank our Management Committee for all their efforts and commitment in fulfilling the interests of our community in a dedicated and professional manner. With an influx of relatively young, competent and committed committee members, I feel assured that our community is in good hands for years to come.

However, your support is also required to re-vitalise our community. Please renew your membership for the New Year and take time out of your busy schedule to make contact with old friends.

We have a magnificent church and a wonderful priest, so participate in church services regularly and not just on special occasions. There are numerous social functions and cultural activities planned for the coming year to provide choices no matter what your age or gender.

We look forward to the many challenges ahead and have great confidence that the Macedonian Community of Western Australia will continue to be the leading Macedonian Community in this state and Australia wide.

Regards,

Sotir Novachkov  
President
