

AFTER SCHOOL MACEDONIAN LANGUAGE LEARNING PROGRAM FOR K – 12 KIDS

The Western Australian Government through the Office of Multicultural Interests has redeveloped the Community Languages Program to promote the benefits of learning and maintaining additional languages. The Program provides opportunity for all Kindergarten to Year 12 students to learn a new language. The Macedonian Community Language School is working with your school to deliver after school beginner level Macedonian language classes in 2016 for multi-age, multi-ability students.

Why should my child learn an additional language?

- Access to two languages from an early age facilitates literacy development. It greatly benefits their reading and writing skills and contributes to their ability to think and learn. There is a strong link between learning another language and literacy development in English.
- ATAR bonus incentive encouraging high standards of student achievement. Year 12 students completing a second language automatically receive bonus points for entry to University.
- Develop a broader view of the world providing opportunity to experience other cultures.
- Social connections for children to make friends and enjoy learning.

Where will the classes be held? It is proposed to hold the classes at Balcatta House, 334 Albert Street, Balcatta.

Who will be conducting the classes? Experienced and qualified teachers from the Macedonian Community Language School.

How much will it cost? An annual fee of \$150.00. This covers the full cost of all textbooks and materials. Students will be required to provide their own stationery.

How do I submit an expression of interest? Please complete the form below and email to language@macedoniawa.com.au. Alternatively, the completed form may be posted to Macedonian Community Language School, PO Box 12, North Perth WA 6906 marked to the attention of the Director.
