

## **FREQUENTLY ASK QUESTIONS (FAQ)**

### **Why Learn Macedonian?**

Macedonian is the official language of the Republic of Macedonia and is also spoken in neighbouring countries and around the world by people living in diaspora communities.

Many people learn Macedonian to:

- maintain the Macedonian language and culture;
- enjoy the benefits of cultural experience;
- enhance their literacy skills;
- enhance integration and communications amongst and with Macedonians across generations;
- promote future business relations in Europe;
- develop intercultural understanding and communications;
- provide students with future professional and work opportunities;
- promote understanding of multi-cultural society; and
- visit and travel in Macedonia.

The Macedonian Community of Western Australia Inc recognises the importance of language learning and is proud to offer Macedonian language classes.
